Press Release

Eat, Drink & Bid Your Tails off at “The Rescue”

PARL’s signature fundraising event is on Saturday, November 6th at J&W Culinary Arts Museum in Providence.

Providence, RI, October 2010 - In its 4th year, The Rescue boasts an evening of swanky spirits, fabulous food and spectacular auctions. It also features a "foodie" twist, hosting its 1st ever **“Top Dog” Culinary Competition** that will have everyone's tails a- waggin'.

The Culinary Competitors include **Aspire, Atomic Catering, Blaze, Dave’s Marketplace, Grille on Main, The Pizza Gourmet** and **Whole Foods Market**. Each will showcase their personal culinary point of view in one “Purr-Fect” bite. Guests of the event will sample these delicious offerings.

Our celebrity judges will decide who will be The Rescue’s Culinary “Top Dog.” Judges include **Herb Mesa, who most recently was a finalist on the Food Network’s premier reality show, The Next Food Network Star**. Herb is a restaurant-trained chef, self-taught healthy cuisine chef, certified personal trainer and fitness guru. **Al Matthews, from the popular 'Paul and Al' morning radio show at 94HJY** in Providence, RI is also the author of an informative food blog and is never short on interesting commentary and personality!

Check out our **Online Auction that will run throughout October** and can be viewed at www.parl.org. There will also be silent and live auctions at the event boasting incredible items to bid on.

Proceeds from The Rescue will **benefit current and future needy animals at PARL** as well its community programs and services.

Online ticket sales begin in October and will also be available for purchase at PARL. For all the event information, visit www.parl.org.

About The Providence Animal Rescue League - The Providence Animal Rescue League is a 501(c) (3) non-profit organization serving communities throughout Rhode Island and beyond. We receive no federal or state funding and rely solely on donations from generous individuals, businesses and foundations to support our work to provide compassionate care, medical treatment and adoption services to more than 2000 animals each year.
